

24/7 Prayer Request June 2019

Teaching Session

The Lord prepared the way for us to serve Him and His people by holding a Teaching Session and Gathering on coming Saturday, June 8th and today **Saturday, June the 1st** we would like to ask you for prayer. Ask the Lord to touch His people and motivate them to be present in order to receive what only HE can give. Claim the ground for Jesus and cover the whole place with His precious blood. Proclaim the presence of the Holy Spirit before, during and after the Gathering. Our faith is strong that the Lord is going to mightily move, touch and revive His people.

Your prayer is needed for Awakening Austria

Just two more days to go and thousands of Christians will gather in Vienna, Austria to PRAY--- are you going to be one of them? Always when God is looking for ONE man to do the impossible, the MANY turn out to be the stumbling block; it is so visible in Austria. But our faith is in the Living Christ and we are expecting HIM to open Heaven and pour out His power to touch, convict, heal, burn down...etc. We KNOW that He is there looking for that ONE lost soul, thus be encouraged today **Monday, June the 10th** to join thousands others, to bow down and to pray. Pray that miracles and wonder would happen; amazing things ONLY God can do so the world around us would recognize Christ in action. Claim humbleness from heaven and wisdom from above for all those coming; ask the Lord to touch and break their hearts and to give them Servants' hearts. Claim protection for those joining from day one to the end, especially for the Organizers. We ask for favour, whether with the authorities or those present in Vienna; may you, oh Lord, TOUCH and put that favour in their hearts. We claim thousands souls for Christ and His Kingdom in Jesus holy name; be a partaker of this amazing time.

Connect with servants of the Lord and serving in Vienna, Austria

After a great time in Vienna during Awakening Austria from 13th-16th of June, the Lord sent us back to 'collect the harvest' and discuss with many of His servants at the 'Market Place' Austria. Today is **Friday June, 28th** and we want you to join our prayer for our coming trip to Vienna. First of all pray for Brother Franz H. from HELP-FCJG in Vienna; we are offered to stay with them the whole time; lift him up before the Throne of Grace and claim complete restoration. Rebuke the attacks of the enemy against him and ask the Lord for His light to shine and disperse all darkness try to engulf him and his marriage/family. Pray that our stay would be a blessing for the whole Team, as well as for us; we just go in FAITH

that heaven IS open everywhere we go. Ask the Lord to USE us HIS way, if needed, and claim protection and provision. May our faithful God guide and use us in His time and give us those blessed 'Divine Encounters' we ask all in Jesus holy name. Amen.
